Peabody-Lynnfield YMCA

"School's Out"

After School Program

2009

About Us . . .

The Peabody-Lynnfield After School program provides children ages Kindergarten through 13 with a variety of positive healthy and educational activities through out the week. Our staff meet all Massachusetts Department of Early Education and Care Licensing standards and are certified in First Aid and CPR. All staff are receiving ongoing training in working with children, program development and child development.

The after school program is a fun environment where they come after school and are grouped together according to their grade in school. This allows for developmentally appropriate curriculum to be followed. The after school program activities include homework group, arts and crafts, swimming, creative thinking, rock wall climbing, gym games, field trips, cooking, dramatic play, board games, outdoor play, reading, and special events.
